Health and safety Protocols: Every child must wear a mask to camp and their temperature must be taken every morning at drop off. In class we will practice physical distance as needed. The classroom will have hand sanitizer, soap, and sanitizing wipes for wiping down workstation/bags every morning, lunch and afternoon. Each student will be given a large zip lock bag to store their own materials and supplies for camp. To ensure that the hand hygiene protocols are standardized, counselors will make sure sanitizing and hand washing is done the correct way several times a day. In the event any student displays excessive coughing, sneezing or sickness while they are at camp, we will contact a parent/guardian to pick them up as soon as possible.
